

A New School Year with **NO HASSLE!!!**

Important information regarding next year's No Hassle Fundraiser

As the 2008-2009 school year comes to an end, countless preparations are already taking place to ensure that 2009-2010 will be just as successful. There will be a few changes during the Fall that we would like to bring to your attention NOW in order to eliminate questions once we have begun our new school year. In the past, the **No Hassle Fundraiser** has worked with the H'OWL Committee to present **No Hassle** contributors H'OWL incentives for donating at certain levels. Next year, however, the H'OWL carnival will be just that, a FUN carnival, that will be underwritten by **BUSINESS SPONSORSHIPS ONLY**. We will no longer have family sponsorship opportunities for the H'OWL, but in turn will offer a very neat way for families to be recognized through the **No Hassle Fundraiser**. The H'OWL will still bring in money with the sale of tickets and t-shirts, but we would like to focus our fundraising efforts on the **No Hassle Fundraiser** and keep the promise that it remains our **ONLY FALL FUNDRAISER**.

Who's "Hoo" at Doss Elementary School

A very unique piece of artwork that represents our school mascot, the Doss Owl, is currently being designed for **No Hassle**, and will be generously donated by former Doss parent, Sharon Finch. This piece of art will take the form of a very large "award plaque" and will be hung in the front foyer for all to enjoy. The "plaque" will feature 3 different levels of **No Hassle** contributions. If as a **No Hassle** contributor, you decide to donate at one of these levels, your family name (or name of your choice) and school year will be engraved and attached to the artwork. Not only will this remain in the foyer for the remainder of the year, but for years to come, so you will forever be remembered as **Who's "Hoo" at Doss Elementary School!**

Visit our **No Hassle** website page at http://www.dosspta.org/?page_id=13 for a sneak peek of Sharon's amazing design!

Please remember that any amount you decide to donate next year is extremely appreciated and every dollar donated allows the Doss PTA to continue supporting our school and most importantly, our children.

Have a wonderful summer!
